HOME SOLUTIONS COLLECTION BY SEA GULL LIGHTING TO SHOW NEW 2018 PRODUCTS AT DALLAS LIGHTOVATION

Skokie, Ill., January 16, 2018—Home Solutions Collection by Sea Gull Lighting, a leading manufacturer and supplier of trend-forward, energy-efficient decorative and functional lighting for residential and commercial applications, will show its new 2018 products at the Dallas Lightovation tradeshow, running from January 17-21, at the Dallas Market Center’s Trade Mart, 2100 Stemmons Freeway, showroom TM-4010.

“We’ve leveraged new techniques to make textured finishes and weathered, patina finishes,” said Brian Lintner, Brand Director and Lead Designer. “Other trending styles for 2018 include large-scale statement pieces and a continuation of mid-century modern and industrial themes.”

Below is just a sampling of new Home Solutions Collection by Sea Gull Lighting fixtures to debut at Lightovation. All of these lighting fixtures can be used to comply with California Energy Commission (CEC) 2016 Title 24 Part 6 High Efficacy LED Light Source Requirements.

Home Solutions Collection by Sea Gull Lighting Image	Product Description
	<p>Undulating with free-form hoops of welded cold-rolled steel, the Cowen from Home Solutions Collection by Sea Gull Lighting combines hanging art with light. As illumination escapes from the openings in the sculpted shade, the textured Obsidian Mist finish adds the final tactile element to this postmodern piece. Shown left is the two-light, semi-flush mount that can be converted to a chandelier, which is 14” high and 16.6” in diameter. All the lighting fixtures in the collection are damp-rated for use in sheltered, damp environments like bathrooms, covered patios or porches. The collection also has a six-light foyer chandelier, five-light island chandelier, three-light chandelier, one-light mini-pendant and a one-light wall sconce.</p>

Home Solutions Collection by Sea Gull Lighting Image	Product Description
	<p>With hand-blown, clear, seeded glass diffusers, Elsa from the Home Solutions Collection by Sea Gull Lighting creates a soft, pleasing glow of filament light. Gracefully curved arms extending from the tapered glass add an air of elegance to the silhouette. Shown is the five-light chandelier in the Heirloom Bronze finish, and its dimensions are 19" high and 25" in diameter. This robust collection includes another chandelier, multiple ceiling fixtures, a variety of wall sconces, and a one-light pendant. Damp-rated.</p>
	<p>The five-light Elsa chandelier from Home Solutions Collection by Sea Gull Lighting is shown in this dining room.</p>
	<p>The timeless, basket-style chandelier silhouette gets a modern makeover with the Davlin from Home Solutions Collection by Sea Gull Lighting. The traditional candelabra lamps find new expression in a teardrop shaped frame in a Cerused Oak and Stardust finish combination. Shown is the six-light Large hall/foyer pendant, which is 35.25" high and 26" in diameter. Damp-rated, others in the Davlin collection include a four-light, Medium hall/foyer pendant and a three-light, Small hall/foyer pendant. Damp-rated, and available in ENERGY STAR®-qualified versions.</p>

	<p>The Davlin four-light pendant from Home Solutions by Sea Gull Lighting is shown in this dining area.</p>
	<p>The Moffet Street from Home Solutions Collection by Sea Gull Lighting offers a distinct take on a rustic theme. Steel frames with a hand-applied finish mimics natural wood; the internal decorative housings are then finished in a high gloss Chrome for a metropolitan feel. Shown left is the two-tier, eight-light hall/foyer pendant, which is 31" high, 19" wide and 19" long. Others in the collection include a six-light island pendant, four- and three-light hall/foyer fixtures, and a one-light wall sconce. All are damp-rated, and ENERGY STAR®-qualified versions are available.</p>
	<p>The six-light Moffet Street island pendant from Home Solutions by Sea Gull Lighting is shown here in this dining room.</p>

Home Solutions Collection by Sea Gull Lighting Image	Product Description
	<p>A distinctive mesh lampshade in the Gereon from Home Solutions Collection by Sea Gull Lighting harkens back to the industrial days of machine innovation, adding a rugged look of workmanship that transforms an interior's identity. At once stylistic and utilitarian, Gereon is available in a finely textured Black finish. While suitable for indoor use, the collection is damp-rated for covered outdoor use as well. Shown is the one-light wall sconce, which is which is 12" high, 8" wide and extends 4". Others in the collection are a four-light Large pendant, three-light Medium pendant, one-light mini-pendant, and a two-light semi-flush that can be converted into a pendant.</p>
	<p>Seen here is the Gereon four-light pendant from Home Solutions by Sea Gull Lighting. This, too, is damp-rated for covered outdoor spaces.</p>
	<p>The utilitarian Jeyne pendant from Home Solutions Collection by Sea Gull Lighting offers a historical barn light form and a protective industrial cage. Beautiful, hand-applied Weathered Copper (<i>shown</i>) or Heirloom Bronze finishes with a reflective gloss white interior lend beauty to any space. Three sizes are available: A one-light Large pendant (<i>shown</i>) that is 11.4" high and 13.4" in diameter, a one-light Medium pendant, and a one-light mini-pendant are available. Damp-rated, and ENERGY STAR®-qualified lighting fixtures are available.</p>

Home Solutions Collection by Sea Gull Lighting Image	Product Description
	<p>While hanging globes are one of lighting's hottest trends for 2018, from the Home Solutions Collection by Sea Gull Lighting's timeless Leo Hanging Globes have been around for 50 years. Constantly evolving with the times, these classic pendants are now offered with Clear Seeded glass with a Satin Aluminum finish (<i>shown</i>) or White glass with a choice of Satin Aluminum or White finish. Adjustable cloth cords allow for unlimited variations of hanging heights. The collection has Extra Large, Large, Medium and Small pendant sizes. Five- or three-multi-ports can be ordered to hang the Leo pendants in clusters.</p>
	<p>The decorative, sturdy Gaelan from Home Solutions Collection by Sea Gull Lighting is a versatile outdoor product line built to last: Sea Gull Lighting's proprietary, rust-proof StoneStrong material from which Gaelan is made withstands coastal, dry, and harsh winter climates. Echoing classic lamp posts while using modern silhouettes and glass panels creates a smooth transitional style. Available finishes are Painted Brushed Nickel (<i>shown</i>), Black, and Antique Bronze. Shown left is the Small, one-light wall sconce that's 10.25" high, 5.4" wide and extends 5.9". Medium and Large one-light wall sconces are also part of the collection—as well as a pendant. ENERGY STAR®-qualified fixtures in this line are available.</p>
	<p>A decorative external cutout pattern plays between positive and negative spaces in the outdoor Melito from Home Solutions Collection by Sea Gull Lighting. Pockets of light escape, creating dramatic patterns of light and shadow. Sea Gull Lighting's proprietary, rust-proof StoneStrong material from which Melito is made is built to withstand coastal, dry, and harsh winter climates. Available in Black or a patinaed Weathered Copper (<i>shown</i>), this is the one-light, Large outdoor wall sconce. There's also a one-light Medium and one-light Small wall sconce. These are available in ENERGY-STAR®-qualified versions.</p>
